Background and Vision

Over 30+ years, Pastor Vincent L. Hawkinson led Grace University Lutheran Church, speaking out courageously against societal injustice and violence. Upon Pastor Hawkinson's retirement in 1988, Grace Church established the Vincent L. Hawkinson Foundation in his honor. More recently the Foundation has updated its name and purpose, as follows:

The purpose of the Hawkinson Fund for Peace and Justice is to perpetuate the spirit of Vincent L. Hawkinson by

- Providing grants and scholarships to persons or groups committed to peace and justice
- Making non-monetary awards to individuals or groups committed to peace and justice
- Engaging in other projects that inspire bold action for justice, and
- Publicizing projects and stories of grant, scholarship, and award recipients, thereby inspiring others to pursue peace and justice.
